Civil Action No. **3:24-CV-1744-L-BN**

ORDER

On July 19, 2024, the Findings, Conclusions and Recommendation of the United States Magistrate Judge (“Report”) (Doc. 9) was entered, recommending that the court, *sua sponte* remand this action for lack of subject matter jurisdiction to the court in Rockwall County, Texas from which it was removed by *pro se* Defendant Olorun AB Initio Express Trust d/b/a C L Abor (“Abor”). The magistrate judge determined that no basis for removal exists under 28 U.S.C. § 1331, and Defendant failed to cite a basis for removal under 28U.S.C. § § 1442, 1442a, or 1443.

Having considered the Report, Notice of Removal, pleadings, the file, and record in this case, the court determines that the magistrate judge’s findings and conclusions are correct, and **accepts** them as those of the court. Accordingly, the court *sua sponte* **remands** this action for lack of subject matter jurisdiction to the Rockwall County Court, Rockwall County, Texas, from which it was removed. The clerk of court **shall** effect the remand in accordance with the usual procedure and term all pending motions.

It is so ordered this 5th day of September, 2024.

Sam A. Lindsay
United States District Judge
